

# Refashion Project

Just FACS

Individually, students are to take something old that is either out of style or that they no longer wear and refashion it. Make sure that the completed project is wearable. If you have nothing like this in your closet ask a friend or relative or visit the Goodwill. To complete the project please complete all the tasks below: (This may be done on a poster for showcasing)

| Possible Points | Performance Task   | Points Earned |
|-----------------|--|---------------|
| 40 pts          | Completed project is wearable (also may use sewing project rubric to score this portion) |               |
| 10 pts          | Before photo with description  |               |
| 10 pts          | List of steps of what you did to refashion it  |               |
| 10 pts          | After photo with accessories   |               |
| 15 pts          | Design Plan (create before you begin sewing)   |               |
| 15pts           | Poster/Presentation of information neat, creative and decorative                         |               |
| 100 pts         | TOTAL POINTS   |               |

This project is due on \_\_\_\_\_ . Remember that it is best to take the photos with someone actually wearing the clothes.
