<p>You can conduct these classes several ways, depending on your resources.</p> <ul style="list-style-type: none">• You could have professionals come in and present on these topics if you would like.• You may even get businesses and/or parents to donate needed materials.	<ul style="list-style-type: none">• Make sure to take pictures and document (for submitting to FCCLA magazine and/or newspaper; or for using as Star Events)• You could also encourage students to bring a friend (for promoting the club), a parent or a younger sibling.• You should definitely come up with some creative names.•

*These events can be held monthly or weekly, depending upon time and resources available. (Monthly usually works best for me because of other events like actual club meetings, community service projects, fundraisers and more)

*You could add extra fees to membership or class dues to help create these types of events or fundraise money to specifically fund these types of events.
